Announcement of Grant of "Security Laminates to Secure Documents and Method of Manufacturing the Same" for the territory of Sri Lanka

Arrow Greentech Limited (AGTL) has obtained rights in patent titled " **Security Laminates to Secure Documents and Method of Manufacturing the Same**" Patent No. **22378**, for the territory of Sri Lanka under the provisions of the Patent Law, Certificate is attached.

IP Cell has informed, *"The present invention relates to security element and method of manufacturing the same, more particularly the present invention relates to plurality of security laminates and method of manufacturing the same, so as to laminate/protect data pages from tampering or alteration. The present invention discloses various combination to incorporate the security elements as disclosed in the present invention, to provide an enhanced security of data pages/data cards, wherein said security elements makes it difficult to counterfeit. Further the present invention provides a security laminate which is transparent, inexpensive to manufacture, difficult to imitate by counterfeiters, readily evidences tampering, and is highly durable".*

APPLICATIONS OF THE PATENT:

The present Patent discloses various combinations to incorporate the security elements as disclosed and described therein, which may provide multiple layers of security features/elements, that enhances security of the data pages/data cards, wherein said security elements or combinations thereof make counterfeiting much more difficult. The Security laminates are particularly useful to provide an enhanced security of the data pages/data cards like identification cards such as passports, aadhar cards, voter ID, driver's licenses and on other important data pages or valuable documents.

Arrow Greentech Limited is a pioneer in manufacturing eco-friendly products and high-tech anti-counterfeit products, by a unique method using our experience in chemistry, coating and casting. Arrow's R&D department has many years' experience in different fields e.g. Coatings, Security Printing and Casting Films. It shall be Arrow Greentech Limited's on-going endeavor to commercialize these patents appropriately.

Arrow firmly believes in protecting it's Intellectual Property and respects IP grants of other inventors.

Safe Harbor Statement

This announcement contains forward-looking statements. Arrow may also make forward-looking statements in our periodic reports to the Stock Exchanges as per prevalent rules and in its annual report to shareholders, in its proxy statements, in its offering circulars and prospectuses, in press releases and other written materials and in oral statements made by its officers, directors or employees, to third parties. Arrow assumes no obligation to update the forward-looking statements in this release and elsewhere. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of important factors could cause actual results to differ materially from those contained in any forward-looking statement.
