INVESTOR UPDATE | Q3 FY26

30th January, 2026

- ✓ Chairman's Message
- ✓ Financial Performance – Q3 FY26
- ✓ Subsidiaries
- ✓ Income Statement
- ✓ Shareholding Pattern

*The Company has disclosed the plywood operations (Kajaria Plywood Pvt. Ltd.) separately as discontinued business but for ease of comparison, we have included the same in this presentation.

In Q3 FY26, overall market demand continued to remain soft. Our consolidated revenue for the quarter is flattish at ₹ 1168 crores compared to the corresponding quarter last year mainly due to no growth in tiles volume and absence of ply sales due to closer of that division. EBDITA margin in Q3 FY 26 is 17.20%, + 442 bps as against 12.78% in corresponding quarter last year.

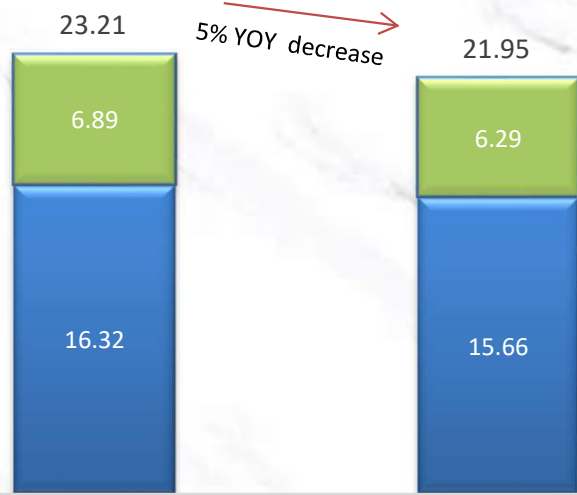

However, EBITDA dropped by 74 bps sequentially as compared to Q2 FY26 mainly because of lower sales realisation as we gave some discount in order to reduce our SKUs.

In Gailpur plant, we have converted one unit (capacity of 9.10 msm p.a.) from Ceramic Floor Tiles to Glazed Vitrified Tiles to move towards value added products as per prevailing market demand scenario.

With **Kajaria 2.0**, our transformation journey has begun, and we remain confident about sustainable value creation ahead.
