You are requested to take the same on your records.

Yours faithfully,  
For **Adani Energy Solutions Limited**

**Jaladhi Shukla**  
**Company Secretary**

Encl – as above.

## Media Release

# AESL wins Rs ~ 1,660 crore transmission project in Maharashtra

### Editor's Synopsis

- The project will evacuate green power from Maharashtra's Raigad region
- AESL's transmission orderbook now stands at Rs ~61,600 Cr

**Ahmedabad, 30 May, 2025:** Adani Energy Solutions Ltd (AESL), India's largest private transmission and distribution company and part of the globally diversified Adani portfolio, today said it has won a Rs 1,660 crore inter-state transmission project in Maharashtra.

The project scope includes establishment of 3,000 Mega Volt-Amperes (MVA) of substations capacity, besides other related transmission infrastructure, taking AESL's overall transmission network to 26,696 ckm and 93,236 MVA of transformation capacity. AESL is scheduled to commission the project by January 2028.

The project, housed under the Special Purpose Vehicle (SPV) WRNES Talegaon Power Transmission Ltd, will help evacuate 1.5 GW of green power from upcoming hydro Pumped Storage Projects (PSP) in the region and will help meet demand from Mumbai and surrounding areas. The project SPV was formally transferred to AESL today.

AESL won this Inter State Transmission System (ISTS) project under the Tariff Based Competitive Bidding (TBCB) mechanism, and REC Power Development and Consultancy Ltd (RECPDCL) was the bid process coordinator.

With this order win, AESL's transmission orderbook now stands at Rs ~61,600 crore.

### About Adani Energy Solutions Ltd (AESL)

AESL, part of the Adani portfolio, is a multidimensional organization with presence in various facets of the energy domain, namely power transmission, distribution, smart metering, and cooling solutions. AESL is the country's largest private transmission company with a cumulative transmission network of 26,696 ckm and 93,236 MVA transformation capacity. In its retail electricity distribution business, as on AESL serves approximately 13 million consumers in metropolitan Mumbai and the industrial hub of Mundra SEZ. AESL is ramping up its smart metering business and is on course to become India's leading smart metering integrator. AESL, with its integrated offering through the expansion of its distribution network through parallel licenses and competitive and tailored retail solutions, including a significant share of green power, is revolutionizing the way energy is delivered to the end consumer. AESL is a catalyst for transforming the energy landscape in the most reliable, affordable, and sustainable way.
