Subject: Update on launching of online B2B e-commerce platform.

The company launched online B2B e-commerce platform and which is available at <https://b2binfinity.com>. This platform is designed to facilitate seamless business-to-business transactions by providing a centralized digital space where buyers and sellers can connect, negotiate, and conduct trade efficiently. It offers features such as product catalogs, pricing visibility, bulk order management, secure payment options, and real-time order tracking. By going digital, the company aims to streamline procurement processes, improve customer experience, and expand its market reach across industries.

Thanking you,

Yours faithfully,

For, PANTH INFINITY LIMITED
