Limited Review Report - Consolidated Financial Results

**Review Report to
The Board of Directors
Cigniti Technologies Limited**

1. We have reviewed the accompanying statement of unaudited consolidated financial results of Cigniti Technologies Limited (the 'Company') and its subsidiaries (together referred to as 'the Group'), for the quarter ended December 31, 2018 and year to date from April 1, 2018 to December 31, 2018 (the "Statement") attached herewith, being submitted by the company pursuant to

Section 133 of the Companies Act, 2013 and the Standard on Limited Review of Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above and based on the consideration of the reports of other auditors on the unaudited separate quarterly financial results and other financial information of subsidiaries, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited consolidated Ind AS financial results prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We did not review the financial results and other financial information, in respect of four subsidiaries, whose Ind AS financial results include total assets of Rs. 3,738.89 lakhs as at December 31, 2018, and total revenues of Rs. 3,471.93 lakhs and Rs. 10,066.58 lakhs for the quarter and nine month ended on that date. These Ind AS financial results and other financial information have been reviewed by other auditors, whose financial results, other financial information and auditor's reports have been furnished to us by the management. Our conclusion, in so far as it relates to the affairs of such subsidiaries is based solely on the report of other auditors.

Certain of these subsidiaries are located outside India whose financial results and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted the financial results of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Company's management. Our conclusion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Company and reviewed by us.

Our conclusion is not modified in respect of this matter.
