XORA WORLD TO BRING HARRIS JAYARAJ'S FIRST-EVER HYDERABAD CONCERT TO THE CITY

Spice Lounge Food Works Limited announces that XORA World, its live culture and entertainment platform, will host the first-ever Hyderabad concert of acclaimed music composer Harris Jayaraj on 26 April 2026 at Emaar MGF, Boulder Hills, Hyderabad.

The event marks Harris Jayaraj's debut live performance in the city and is positioned as a large-format contemporary music experience, bringing together orchestral arrangements, vocal ensembles, and visual production designed specifically for a live audience. The concert is expected to draw strong interest from urban audiences and fans across Telangana and neighboring regions.

Harris Jayaraj is known for redefining mainstream film music with a modern, genre-blending sound that continues to resonate strongly with younger audiences. His live performances are relatively limited, making the Hyderabad debut a high-anticipation event in the regional entertainment calendar.

XORA World is a proprietary platform of Rightfest, a wholly owned subsidiary / group entity of Spice Lounge Food Works Limited. The event reflects the Company's focus on building scalable, ticketed live entertainment properties that operate independently yet complement its broader consumer-facing businesses.

Commenting on the announcement, Mr. Mohan Babu Karjela, Chairman & Director, said:

“This concert represents the kind of contemporary, high-energy experiences we want XORA World to be known for. Harris Jayaraj's Hyderabad debut is a strong fit with our intent to curate events that are relevant, aspirational, and commercially scalable.”

The logo for Spice Lounge is displayed in a large, stylized, cursive font. The word 'Spice' is in a reddish-pink color, and 'Lounge' is in a blue color. The letters are slightly overlapping and have a soft, glowing effect, suggesting a warm and inviting atmosphere.
