Dear Madam/ Sir,

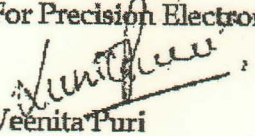

Pursuant to Regulation 30 of SEBI(LODR) Regulations, 2015, we would like to inform that our website (www.pel-india.com) is not working. All this is happening because our domain registrar, Net4India entered into Insolvency proceedings, thereby affecting more than 70,000 domains. Due to the continuing lack of clarity on when our domain will become available to us, we decided to shift our email and website to a new Domain.

Kindly note, our new domain is www.pel-india.in

For emails please change from cs@pel-india.com → to → cs@pel-india.in

It is our humble request that you update your records. We sincerely apologize for the inconvenience caused and any mails we may have missed.

Thanking You,
For Precision Electronics Limited
