## Limited Review Report

### To the Board of Directors of Panasonic Carbon India Co. Ltd.

We have reviewed the accompanying statement of unaudited financial results of Panasonic Carbon India Co. Ltd for the quarter ended September 30, 2018, and the year-to-date results for the period from April 01, 2018 to September 30, 2018 attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Figures for the three months ended June 30, 2017 included in the unaudited standalone financial results for the period from April 1, 2017 to September 30, 2017 are based on previously issued unaudited financial results that were reviewed by the erstwhile auditors of the Company (vide their unmodified review report dated August 08, 2017 furnished to us).

Our conclusion is not modified in respect of the above matter.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be
