Dear Sir/Ma'am,

Sub: Hyundai Motor India Limited Announces a minor Price Increase

Due to the rise in the cost of precious metals and commodities, Hyundai Motor India Limited will undertake a weighted average price increase of around 0.6% across its model range, effective from January 1, 2026.

While the company continuously strives to optimize costs and minimize the impact on its customers, the company is constrained to pass on some of the increased costs to the market through this minor price increase.

Kindly take the same on record.

Thanking you,
For **Hyundai Motor India Limited**
