Intraday Pick	BHEL
Intraday Pick	NMDC

STOCK IN FOCUS

- ▶ **Pidilite Industries** closed 1.5% up in trade today at Rs855 compared to 1% fall in the benchmark Nifty.
- ▶ The company is a dominant player in India's adhesives & sealants and construction chemicals industry with iconic brands like Fevicol, M-Seal, Fevikwik and Dr. Fixit.
- ▶ Unmatched market leadership in under-penetrated category, strong brand equity, robust pricing power and superior management bandwidth would continue to drive growth for Pidilite, going forward.
- ▶ We believe that Pidilite's core strengths continue to remain intact despite near-term headwinds on account of trade pipeline correction post GST rollout and higher input prices.
- ▶ Based on expected EPS of Rs22.9, the stock currently trades at 37.2x FY19E earnings.
- ▶ **Expecting Pidilite to post revenue and earnings CAGR of 14.1% & 16.7% through FY17-19E, we maintain our BUY recommendation on the stock with a target price of Rs941.**

Positional Pick

**TATAELXSI (PREVIOUS CLOSE: 920) SELL**  
 Fresh short position can be initiated in the range of Rs930-950 for the target of Rs820-790 with a strict stop loss of Rs980.

Intraday Picks

**BHEL (PREVIOUS CLOSE: 91) SELL**  
 For today's trade, short position can be initiated at around Rs92-93 for the target of Rs89-87 with a strict stop loss of Rs94.

**NMDC (PREVIOUS CLOSE: 129) SELL**  
 For today's trade, short position can be initiated at around Rs132-133 for the target of Rs127-125 with a strict stop loss of Rs135.

Technical Research

MARKET SYNOPSIS

- ▶ On Friday, NSE-NIFTY opened the session on a firm note tracking positive global cues, but later index reversed after facing resistance of 10,270 mark and slipped to sub-10,200 level thereafter. Later, NIFTY consolidated in the narrow range to hold further decline, but as usual sharp fall in the late noon trades dragged index 90 points lower from that consolidation base.
- ▶ Finally, NIFTY shut the shop at 10,122 mark, with cut of 105 points.
- ▶ NSE Cash segment reported turnover of Rs28,450 crore as compared to Rs49,597 crore earlier.

- ▶ Overall market breadth remained negative, where 690 stocks advanced against 1027 declined stocks.
- ▶ Negative trend was observed across all the sectoral indices during the day, where Realty, Media and PSU Bank indices emerged as top losers with the decrease of 2% to 2.3%. However, rest of the sectoral indices had reported loss of in between 0.5% to 1.6%.

NSE-NIFTY OUTLOOK

- ▶ In the last week, NSE-NIFTY moved sideways before break-down, where weakness in the market heavyweights dragged index to 8-week closing low and reported loss of 2.6% (W-o-W basis). As per the daily chart, NIFTY visited November month's low and closed below its medium-term moving average 50-day EMA. Further fall in the key technical indicators-Stochastic and RSI and negative market breadth are indicating that NIFTY will remain in pressure for next couple of days, where index will find support around its psychological level-10,000. On the higher side, 10,300 will work as make-or-break level for NIFTY, as only a stable move above that level will bring positivity back in trade.
- ▶ As for the day, support is placed at around 10,060 and then at 10,000 levels, while resistance is observed at 10,200 and then at 10,270 levels.

Technical Research

Positional Pick: Tata Elxsi (India)

PREV.CLOSE: 920 | RECO: SELL | IN: 930-950 RANGE | TARGET: 820-790 | STOP LOSS: 980

- ▶ The stock reversed after facing resistance of its upper band of the rising channel and slipped to 2-week closing low thereafter.
- ▶ Due to recent decline, the key technical indicators have given bearish cross-over and moved further down.
- ▶ In the past, when the stock had formed identical pattern and cross-over on the daily chart, it had witnessed 15-20% decline from that peak level.
- ▶ Negative sectoral outlook and current daily set-up are signaling that will repeat itself, which will drag the stock towards its lower band.
- ▶ In case of further decline, the stock will find major support around recent swing low.
- ▶ However, in case of bounce back, upper band will continue to work as key reversal point for the stock.
- ▶ Fresh short position can be initiated only in the range of Rs930-950 for the target of Rs820-790 and with a stop loss of Rs980.

### Derivatives Snapshot

- ▶ Nifty remained in pressure post a firm opening, where weakness in the index heavyweights dragged index to sub-10,100 mark during the day from 10,270 level. Finally, Nifty closed down by 105 points at 10,122 level. Among the Nifty stocks 8 stocks advanced and 42 declined during the day.
- ▶ All the sectoral indices remained in pressure during the day, where Realty, Media and PSU Bank witnessed highest decline (i.e.in between 2% to 2.3%).
- ▶ Broader market indices also remained weak with NIFTY 100,200 and 500 to close down by 1% on an average while Mid-Cap and Small-Cap indices declined by 1% and 1.6% respectively.
- ▶ Nifty December future ended with 32 point of premium at 10,154 mark, while on the other hand, Bank Nifty December future ended with the premium of 68 points at 25,260 level.
- ▶ Nifty slipped to 8-week closing low amidst consecutive decline in the market. As mentioned earlier, the positive momentum will be seen only above 10,300 level. Nifty 10,000 PE has the highest OI of 79 Lac shares, while on the higher side 10,500 CE has highest OI of 57 Lac shares.

**Sectoral Activity:** Amongst sectoral index, Realty and PSU Bank remained in focus with negative momentum.

**Stock Activity:** Escorts and Voltas observed build up in short position.

Reliance Securities Limited (RSL), the broking arm of Reliance Capital is one of the India's leading retail broking houses. Reliance Capital is amongst India's leading and most valuable financial services companies in the private sector. Reliance Capital has interests in asset management and mutual funds, life and general insurance, commercial finance, equities and commodities broking, wealth management services, distribution of financial products, private equity, asset reconstruction, proprietary investments and other activities in financial services. The list of associates of RSL is available on the website www.reliancecapital.co.in. RSL is registered as a Research Analyst under SEBI (Research Analyst) Regulations, 2014

General Disclaimers: This Research Report (hereinafter called 'Report') is prepared and distributed by RSL for information purposes only. The recommendations, if any, made herein are expression of views and/or opinions and should not be deemed or construed to be neither advice for the purpose of purchase or sale of any security, derivatives or any other security through RSL nor any solicitation or offering of any investment /trading opportunity on behalf of the issuer(s) of the respective security(ies) referred to herein. These information / opinions / views are not meant to serve as a professional investment guide for the readers. No action is solicited based upon the information provided herein. Recipients of this Report should rely on information/data arising out of their own investigations. Readers are advised to seek independent professional advice and arrive at an informed trading/investment decision before executing any trades or making any investments. This Report has been prepared on the basis of publicly available information, internally developed data and other sources believed by RSL to be reliable. RSL or its directors, employees, affiliates or representatives do not assume any responsibility for, or warrant the accuracy, completeness, adequacy and reliability of such information / opinions / views. While due care has been taken to ensure that the disclosures and opinions given are fair and reasonable, none of the directors, employees, affiliates or representatives of RSL shall be liable for any direct, indirect, special, incidental, consequential, punitive or exemplary damages, including lost profits arising in any way whatsoever from the information / opinions / views contained in this Report.

Risks: Trading and investment in securities are subject to market risks. There are no assurances or guarantees that the objectives of any of trading / investment in securities will be achieved. The trades/ investments referred to herein may not be suitable to all categories of traders/investors. The names of securities mentioned herein do not in any manner indicate their prospects or returns. The value of securities referred to herein may be adversely affected by the performance or otherwise of the respective issuer companies, changes in the market conditions, micro and macro factors and forces affecting capital markets like interest rate risk, credit risk, liquidity risk and reinvestment risk. Derivative products may also be affected by various risks including but not limited to counter party risk, market risk, valuation risk, liquidity risk and other risks. Besides the price of the underlying asset, volatility, tenor and interest rates may affect the pricing of derivatives.

Disclaimers in respect of jurisdiction: The possession, circulation and/or distribution of this Report may be restricted or regulated in certain jurisdictions by appropriate laws. No action has been or will be taken by RSL in any jurisdiction (other than India), where any action for such purpose(s) is required. Accordingly, this Report shall not be possessed, circulated and/or distributed in any such country or jurisdiction unless such action is in compliance with all applicable laws and regulations of such country or jurisdiction. RSL requires such recipient to inform himself about and to observe any restrictions at his own expense, without any liability to RSL. Any dispute arising out of this Report shall be subject to the exclusive jurisdiction of the Courts in India.

Disclosure of Interest: The research analysts who have prepared this Report hereby certify that the views /opinions expressed in this Report are their personal independent views/opinions in respect of the securities and their respective issuers. None of RSL, research analysts, or their relatives had any known direct /indirect material conflict of interest including any long/short position(s) in any specific security on which views/opinions have been made in this Report, during its preparation. RSL's Associates may have other potential/material conflict of interest with respect to any recommendation and related information and opinions at the time of publication of research report. RSL, its Associates, the research analysts, or their relatives might have financial interest in the issuer company(ies) of the said securities. RSL or its Associates may have received a compensation from the said issuer company(ies) in last 12 months for the brokerage or non brokerage services.
