

L&T Technology Services

Recovery priced in

We maintain **REDUCE** on L&T Tech (LTTS), as valuations more than adequately factor in the recovery curve. 2Q print was slightly ahead of estimates, and the growth rebound (despite 3Q furlough uncertainty) is supported by a pick-up in deal activity (deal pipeline and wins higher by ~16% over the previous quarter). While LTTS has a strong pedigree in ER&D with a well-diversified service portfolio, factors such as business cyclicality, higher discretionary nature, and slower pace of large deal conversion result in sequential volatility. The revised USD revenue guidance of -7% to -8% (-9% to -10% organic earlier) in FY21 implies +3.4 to 4.9% QoQ over 3Q-4Q and includes consolidation of Orchestra Tech (~2% QoQ in 3Q). Improvement in cash generation with a reduction in DSO (including unbilled) is positive. Our target price of Rs 1,585, is based on 18x Sep-22E EPS (DCF-implied at 18x and historical average at 19x).

- 2QFY21 highlights:** Revenue stood at USD 178mn, +4.1 QoQ (+2.9% CC) and -10.0% YoY (-10.6% CC). Growth was broad-based ex-telecom & hi-tech vertical, which was impacted by delayed deal closure. Eight large deal wins in 2Q, including 3 deals >USD 15mn TCW and 3 deals >USD 10mn TCW. EBIT margin recovered to 13.7%, +161/-332bps QoQ/YoY and RPAT was supplemented by Rs 0.40bn SEIS. Vendor consolidation and acceleration in deals moving from pilot stage to production support recovery ahead.
- Outlook:** We have factored in USD revenue growth of -7.4/+14.1/+12.4% and EBIT margin at 14.6%, 16.5%, 16.5% over FY21/22/23E respectively. 3Q-4QFY21 revenue growth estimated at 4.5% QoQ and 4.0% QoQ respectively and FY22/23 revenue growth imply 2.9% CQGR each, translating into FY20-23E EPS CAGR at 9% (26% CAGR over FY21-23E). LTTS currently trades at 21.6/18.9x FY22/23E.

The views herein are of a general nature and do not consider the risk appetite or the particular circumstances of an individual investor; readers are requested to take professional advice before investing. Nothing in this document should be construed as investment advice. Each recipient of this document should make such investigations as they deem necessary to arrive at an independent evaluation of an investment in securities of the companies referred to in this document (including merits and risks) and should consult their own advisors to determine merits and risks of such investment. The information and opinions contained herein have been compiled or arrived at, based upon information obtained in good faith from sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. Descriptions of any company or companies or their securities mentioned herein are not intended to be complete. HSL is not obliged to update this report for such changes. HSL has the right to make changes and modifications at any time.

This report is not directed to, or intended for display, downloading, printing, reproducing or for distribution to or use by, any person or entity who is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, reproduction, availability or use would be contrary to law or regulation or what would subject HSL or its affiliates to any registration or licensing requirement within such jurisdiction.

If this report is inadvertently sent or has reached any person in such country, especially, United States of America, the same should be ignored and brought to the attention of the sender. This document may not be reproduced, distributed or published in whole or in part, directly or indirectly, for any purposes or in any manner.

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations, which could have an adverse effect on their value or price, or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies effectively assume currency risk. It should not be considered to be taken as an offer to sell or a solicitation to buy any security.

This document is not, and should not, be construed as an offer or solicitation of an offer, to buy or sell any securities or other financial instruments. This report should not be construed as an invitation or solicitation to do business with HSL. HSL may from time to time solicit from, or perform broking, or other services for, any company mentioned in this mail and/or its attachments.

HSL and its affiliated company(ies), their directors and employees may; (a) from time to time, have a long or short position in, and buy or sell the securities of the company(ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.

HSL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on basis of this report, including but not restricted to, fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

HSL and other group companies, its directors, associates, employees may have various positions in any of the stocks, securities and financial instruments dealt in the report, or may make sell or purchase or other deals in these securities from time to time or may deal in other securities of the companies / organizations described in this report.

HSL or its associates might have managed or co-managed public offering of securities for the subject company or might have been mandated by the subject company for any other assignment in the past twelve months.

HSL or its associates might have received any compensation from the companies mentioned in the report during the period preceding twelve months from the date of this report for services in respect of managing or co-managing public offerings, corporate finance, investment banking or merchant banking, brokerage services or other advisory service in a merger or specific transaction in the normal course of business.

HSL or its analysts did not receive any compensation or other benefits from the companies mentioned in the report or third party in connection with preparation of the research report. Accordingly, neither HSL nor Research Analysts have any material conflict of interest at the time of publication of this report. Compensation of our Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. HSL may have issued other reports that are inconsistent with and reach different conclusion from the information presented in this report.

Research entity has not been engaged in market making activity for the subject company. Research analyst has not served as an officer, director or employee of the subject company. We have not received any compensation/benefits from the subject company or third party in connection with the Research Report.
