Broadly in-line quarter; margin resilience led by FDF

Gagillapur remediation, Senn integration weigh on near-term profitability

- Granules India (GRAN) delivered a slightly better-than-expected revenue in 4QFY25. However, it reported largely in-line EBITDA/PAT for the quarter.
- GRAN achieved the highest-ever gross margin on a quarterly basis, fueled by a strategic shift of product mix towards finished dosage formulation (FDF).
- Geography-wise, GRAN has garnered consistent growth in the North America segment, forming 77% of total sales for FY25.
- GRAN continues to work on product pipelines for other geographies such as the EU, LATAM, India, and the ROW markets.
- We cut our earnings estimates by 8%/6% for FY26/FY27 factoring in 1) an extended production disruption at the Gagillapur site to implement remediation measures, 2) additional operational costs related to Senn Chemicals, and 3) a weak pricing in Paracetamol API. We value GRAN at 18x 12M forward earnings to arrive at our TP of INR600.
- GRAN is focusing on building a differentiated product pipeline in the oncology and ADHD domains. With the Senn Chemicals acquisition, it is adding peptide CDMO as a growth driver for the future. It is also adding capacities in the FDF segment to cater to future manufacturing requirements. Overall, we expect a 14%/20%/26% revenue/EBITDA/PAT CAGR during FY25-27. **Reiterate BUY.**

Segmental mix benefit offset by higher opex on a YoY basis

- GRAN's 4QFY25 sales grew 1.8% YoY to INR11.9b (our est. of INR11.3b), led by increased sales in the FDF segment.
- FDF sales grew 7% YoY to INR9.2b (77% of sales).
- API sales declined 9% YoY to INR1.4b (13% of sales).
- Intermediate (PFI) sales declined 17% YoY to INR1.2b (10% of sales).
- Gross margin (GM) expanded 330bp to 63.4% due to a change in the segmental mix and lower RM costs.
- However, the EBITDA margin dipped 60bp YoY to 21.1% (our est. of 22.3%) due to higher employee costs/other expenses (up 120bp/270bp as % of sales).
- EBITDA was flat YoY at INR2.5b (our est. of INR2.5b) for the quarter.
- During the quarter, GRAN received an insurance claim (INR307m) for business disruption due to an incident related to information security.
- Adjusted PAT was stable YoY to INR1.2b (our estimate: INR1.2b).
- In FY25, GRAN's revenue was flat YoY at INR44.8b, while EBITDA/PAT grew 7.8%/11.9% YoY to INR9.4b/INR4.7b.

Highlights from the management commentary

- The ongoing remediation measures at the Gagillapur facility to resolve the USFDA regulatory issue are likely to impact production for a couple of more quarters.
- GRAN is awaiting USFDA/EU inspection at the Genome Valley Phase I plant. It started the Phase II plant and commenced validation activities recently.
- In addition to the amount spent on acquiring Senn Chemicals (~INR2b), GRAN would be further investing to integrate and scale up capacities/capabilities in the CDMO segment.

- The company submitted one ANDA in the oncology segment, and there are about 10 products under development.
- The paracetamol API business remains considerably impacted due to adverse supply-demand scenarios.

E: MOFSL Estimates

Conference call highlights

- GRAN incurred remediation costs to the tune of INR600m in FY25. GRAN would incur such costs in 1HFY26 as well. However, the quantum is expected to reduce over the medium term.
- The EU business has been severely impacted by the weakness in the Paracetamol business. Having said this, GRAN intends to increase the pace of filings to revive growth in this segment.
- Meaningful revenue from the Oncology segment is expected from FY28.
- GRAN filed three ANDAs in 4QFY25. It has about 127 products filed/92 approved across its focus markets.
- R&D spending was INR2.3b in FY25 (vs. INR2b in FY24).

Capacity-led FDF expansion and entry of peptide CDMO to anchor the next growth phase

Building product pipeline/adding capacity to drive growth in the FDF segment

- In FY25, overall sales were stable YoY at INR44.8b, as the 18% rise in FDF sales was offset by a decline in API and PFI sales. The API/PFI sales were hit by price erosion, demand issues, and production slowdowns following the USFDA-related remediation at the Gagilapur facility.
- GRAN commenced operations of an additional 7.5b dosage line at its Genome Valley facility in 4QFY25, enabling the launch of complex products in the EU and other international markets.
- GRAN has increased its FDF capacity by 34% in FY25 to 39.4b tablets. Interestingly, management has expanded capacity in the FDF segment only in FY25, indicating the strategic focus towards higher-margin formulations.
- Further, the shift in revenue mix reinforces this trend. The FD to API+PFI revenue split has evolved from 50:50 in FY23 to 65:35 in FY24 and further to 77:23 in FY25. This declining contribution from API and PFI segments reflects both market challenges and a deliberate shift in management's strategic priorities, supporting the limited investment in API and PFI capacity expansion.
- GRAN's acquisition of Senn Chemicals AG marks its strategic entry into the high-growth peptide therapeutics and CDMO space. Leveraging Senn's expertise in

peptide synthesis and strong European presence, it aims to expand into complex therapies like GLP-1 agonists, strengthen its global innovation footprint, and become a key player in peptide-based pharmaceuticals, cosmetics, and theragnostic segments.

Enhancing prospects in regulated markets (US/EU)

- In FY25, GRAN reported 16% YoY growth in the US to INR34.5b, largely due to new launches in the Rx and OTC businesses. This was partly offset by the voluntary shutdown of the Gagillapur plant. Europe revenue declined 50% YoY to INR4.4b due to price erosion in paracetamol.
- GRAN has launched new products, such as Metoprolol, Kcl-tabs & Caps, Gabapentin, and Sertraline, which will drive growth in the US business.
- GRAN plans to file complex products in the Rx and OTC markets in the US, supported by the recent launches in new dosage forms.
- GRAN is implementing efforts to FDF-led growth in Europe through key partnerships and Dossier Sales/ BD deals on existing and new products.
- The management expects to launch a couple of complex products in the regulated market in the near term, which would support GRAN's overall growth.

Reiterate BUY

- We cut our earnings estimates by 8%/6% for FY26/FY27 factoring in 1) an extended production disruption at the Gagillapur site to implement remediation measures, 2) additional operational costs related to Senn Chemicals, and 3) a weak pricing in Paracetamol API. We value GRAN at 18x 12M forward earnings to arrive at our TP of INR600.
- GRAN is focusing on building a differentiated product pipeline in the oncology and ADHD domains. With the Senn Chemicals acquisition, it is adding peptide CDMO as a growth driver for the future. It is also adding capacities in the FDF segment to cater to future manufacturing requirements. Overall, we expect a 14%/20%/26% revenue/EBITDA/PAT CAGR during FY25-27. **Reiterate BUY.**

Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH00000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at <http://onlinereports.motilaloswal.com/Dormant/documents/List%20of%20Associate%20companies.pdf>

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH00000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts"), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
