

HZ – strong Q3 performance; minimal hedges for FY27

Metals & Mining ▶ Company Update ▶ January 19, 2026

CMP (Rs): 675 | TP (Rs): 700

Hindustan Zinc (HZ) delivered a strong Q3, with EBITDA of Rs60.5bn (+6.1% vs Emkay and +7.7% vs consensus), led by price realizations, and a 5Y-low zinc CoP of USD940/t that lifted EBITDA margin to 55.1%. The balance sheet turned net cash (Rs3.3bn). The mgmt reiterated disciplined FY27 hedging (10–20%), maintained FY26 capex/production guidance, and flagged potential CoP undershoot. With silver contributing 35–40% to EBITDA and ~1% sensitivity per USD1/oz move, spot prices imply earnings upside, supporting the rerating in VEDL. We maintain BUY on VEDL and target price of Rs700.

HZ – strong Q3 print

VEDL's subsidiary HZ, which contributes ~40% to consolidated EBITDA, delivered a strong performance in Q3, reporting EBITDA of Rs60.5bn, beating estimates (6.1% vs Emkay and 7.7% vs consensus). EBITDA grew a robust 36.5% QoQ and 33.6% YoY, driven by higher zinc and silver volumes, up 9.4% and 9.7% QoQ, respectively, and firmer commodity prices. Average zinc and silver prices increased 11.7% and 40.3% QoQ to USD3,162/t and USD55/oz, respectively. This was achieved despite lower hedging realizations vs quarterly averages, resulting in EBITDA margin expansion of 129bps QoQ to 55.1% in Q3 (vs 53.8% in Q2). Consequently, PAT rose to Rs39.2bn from Rs26.5bn in Q2, aided by strong operating leverage and margin expansion.

Key takeaways from the conference call

1) Hedging: In Q3, the company had hedges of 47kt of zinc and 55t of silver. For Q4, open hedge positions stand at 50kt of zinc at USD2,900/t and 68t of silver at USD39/oz. For FY27, HZ has already hedged 66kt of zinc (6.1% of FY27E volume) at USD3,170/t and 56t of silver (8.3% of FY27E volume) at USD58/oz. The mgmt reiterated its disciplined framework, maintaining 10–20% hedge cover of annual volume. 2) Capex: FY26 growth capex is guided at USD300mn (USD180mn till Q3), with higher Q4 spend. Sustaining capex remains at USD400mn for FY26, implying a quarterly run-rate of USD90–100mn. 3) Guidance: Zinc CoP (ex-royalty) guidance is maintained at USD950–1,000/t, with FY26 actuals likely to undershoot the range. Silver production guidance of 680t ±10t was reiterated, supported by a seasonally stronger Q4 output. 4) Balance Sheet: Robust cash generation drove a sharp balance-sheet improvement, with net cash of Rs3.3bn as of Q3 vs net debt of Rs25.5bn in Q2.

Mark-to-market spot earnings indicate consensus' upgrade potential

We calculate that a USD1/oz move in silver prices has ~1% sensitivity to HZ's EBITDA. Silver contributes 20–25% to HZ's revenue and 35–40% to EBITDA. HZ delivered EBITDA of Rs174bn, generating a 53% EBITDA margin in FY25. We expect it to generate EBITDA of Rs310bn (+78.6% vs FY25), with a 63.5% margin in FY27E, should spot prices of zinc and silver uphold. We still believe silver exposure is underpriced and the recent runup in HZ's and VEDL's stock price is a reflection of the earnings upgrade potential.

This report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. Except otherwise restricted by laws or regulations, this report is intended only for qualified, professional, institutional or sophisticated investors as defined in the laws and regulations of such jurisdictions. Specifically, this document does not constitute an offer to or solicitation to any U.S. person for the purchase or sale of any financial instrument or as an official confirmation of any transaction to any U.S. person. Unless otherwise stated, this message should not be construed as official confirmation of any transaction. No part of this document may be distributed in Canada or used by private customers in United Kingdom.

ANALYST CERTIFICATION BY EMKAY GLOBAL FINANCIAL SERVICES LIMITED (EGFSL)

The research analyst(s) primarily responsible for the content of this research report, in part or in whole, certifies that the views about the companies and their securities expressed in this report accurately reflect his/her personal views. The analyst(s) also certifies that no part of his/her compensation was, is, or will be, directly or indirectly, related to specific recommendations or views expressed in the report. The research analyst (s) primarily responsible of the content of this research report, in part or in whole, certifies that he or his associated persons¹ may have served as an officer, director or employee of the issuer or the new listing applicant (which includes in the case of a real estate investment trust, an officer of the management company of the real estate investment trust; and in the case of any other entity, an officer or its equivalent counterparty of the entity who is responsible for the management of the issuer or the new listing applicant). The research analyst(s) primarily responsible for the content of this research report or his associate may have Financial Interests² in relation to an issuer or a new listing applicant that the analyst reviews. EGFSL has procedures in place to eliminate, avoid and manage any potential conflicts of interests that may arise in connection with the production of research reports. The research analyst(s) responsible for this report operates as part of a separate and independent team to the investment banking function of the EGFSL and procedures are in place to ensure that confidential information held by either the research or investment banking function is handled appropriately. There is no direct link of EGFSL compensation to any specific investment banking function of the EGFSL.

¹ An associated person is defined as (i) who reports directly or indirectly to such a research analyst in connection with the preparation of the reports; or (ii) another person accustomed or obliged to act in accordance with the directions or instructions of the analyst.

² Financial Interest is defined as interest that are commonly known financial interest, such as investment in the securities in respect of an issuer or a new listing applicant, or financial accommodation arrangement between the issuer or the new listing applicant and the firm or analysis. This term does not include commercial lending conducted at the arm's length, or investments in any collective investment scheme other than an issuer or new listing applicant notwithstanding the fact that the scheme has investments in securities in respect of an issuer or a new listing applicant.
